FAMILY REUNION

A number of the relatives of Mrs. O Barker met at their home on New Years day, among them being Mrs. Barker's mother, Mrs. J. K. Northcutt, who is about ninety years of age. Others who were present were Mrs. W. S. Carlin and daughter Ruth, of Purdy, Mrs. J. H. Inman, of Webb City, Mr. and Mrs. Jim Willis and daughter Margaret, Mr. and Mrs. J. J. Charles.

On counting up the number of living descendants of Mrs. Northcutt there were found to be ninety-one. She has living four children, thirty-nine grandchildren, forty-seven great grandchildren and one great-great-grandchild.

Mrs. Northcutt was born in Kentucky and came to Missouri when a child. She was married to J. K. Northcutt in Boone county and they moved to this section in 1857 and took a homestead on Oliver's Prairie. They were the parents of nine children, Mrs. Barker being the oldest child. J. J. Charles is her oldest grandchild. Her great-great-grandchild is the child of Clyde Denton, of Ft. Smith, Ark.

The aged woman is quite spry for one of her years. She lives with Mrs. Inman at Webb City but often visits her other children.

Gus Rowden, Desmond Roy and Wm. Brite, Jr., drove to Mt. Vernon, Tuesday, on business connected with the Wm. Brite estate. D. E. Brite was appointed administrator.

FAKE BANKRUPT AND FIRE SALES.

Activities along the line of securing the passage of a law which will put a stop in the state of Missouri to fake "bankrupt" and "fire" sales of merchandise, have greatly increased during the past ten days.

The bill which is to accomplish this, has been framed by the Credit Men's Association of Missouri. It has been unqualifiedly endorsed recently by the Missouri State Retail Merchants Association, the National Federation of Retail Merchants, many of the Commercial Clubs and mercantile bodies of Missouri, the Travelers' Protective Association, the Southeast Missouri Drummers Association, the St. Louis Sales Managers Association, the St. Louis Trade Press Association and a number of the state daily and weekly newspapers.

John C. Hogan, who is of the joint legislative committee in charge of the passage of the proposed law is sanguine of success but not much so that he does not want the immediate assistance, with members of the Legislature, of both retail merchants and citizens all over the state.

The Bulk Sales Law, which is in effect in effect in all but six of the states, requires that any retail merchant who intends to sell his stock of goods in bulk must give adequate notice of such intention to all his creditors. The law does not give these creditors any lien on the stock but the notice is intended to give them an opportunity to protect themselves under existing statutes in case the proposed sale is fraudulent.

NATURE'S WARNING.

Monett People Must Recognize and Heed It.

Kidney ills come mysteriously. But nature generally warns you. Notice the kidney secretions. See the color is unhealthy. Passages frequent, scanty, painful. It's time to fear serious kidney troubles.

It's time to use Doan's Kidney Pills. Doan's have done a great work in Monett.

Felix Tucker, farmer, Bond street, Monett, Mo., says: "I was troubled for three years by kidney complaint. The kidney secretions were too frequent in passage and I had backache and pains in the head. Nothing relieved me until I took Doan's Kidney pills. As a result of their use, I am strong and well and no words can fully express my gratitude to them."

For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Mr. and Mrs. H. S. Horine and daughter, Miss Eunice, delightfully entertained at dinner New Year's day the following: Mr. and Mrs. Gus Rowden, of Portland, Ore.; Roy Brite of Dallas, Tex.; Mr. and Mrs. D. E. Brite, Mr. and Mrs. Wm. Brite, Jr., Forest Brite.

Monett a Good Town.

That's why we have joined the American Drug and Press Association and will offer to our people the Meritol line of preparations, made by the Association and sold only through its members. There is nothing like these goods, guaranteed in every way, without an equal, made by experts. We want Monett people to have the best there is, so we offer you this line. Ask to see Meritol goods. Brown & Hagler.

D. J. Randolph and sons Will and Mart returned Sunday from a visit at Cassville.

LET'S HELP

What's the use to be a tightwad? What's the use to knock and frown? Better go and join the bright squad, boosting for the good old town. Talk about your country's glory, wear a shining, smiling face, have a bright and cheerful story, say some good things for the place. Do not sing a doleful ditty all the bright and sparkling day, but get busy for your city with a happy roundelay; be a booster and a helper, be a hero in the strife; don't go walling like a yelper that is weary of his life. If you do not like your village don't go preaching like a yap that it's only fit for tillage—help to put it on the map. Folks that knock and folks that falter, folks that squeeze each little dime, folks that tune the harp and psalter for a wailing, doleful chime, kicking always, helping never, toting tears and glooms and blames—on the roll of high endeavor you will never find their names. Tell the joys to come a-roosting; throw the old sledge hammer down; let's go out and do some boosting—let's all help the good old town.

GLOOMY GREETINGS

Some folks have that gloomy way handing out the time of day; seems as if they have no sense—that their domes are full of dents. If your step's the least bit slow, or your cheeks don't fairly glow, they will stop you on the street with this doleful verbal treat: "Say, old man, what's ailing you? Why that pale and ashen hue? Look like you are nearly dead—ought to be at home in bed. Never saw you look so white—find a Doc, boy, you're not right." Then your thoughts begin to mix, and your back gets forty cricks, asthma, rheumatiz and gout chase each other all about up and down your weary frame, germs and microbes make you lame, all your works seem out of trim, life looks cold and dark and grim, and you tremble, weak and pale, like a leaflet in the gale, and you're busy half the day chasing fear and gloom away. Why could not the old galoot something good and cheerful too? If he'd say, "You're looking fine," then the sun of life would shine, and you'd go your way along, feeling young and hale and strong. Folks that have the gloomy style ought to live on some lone isle.

Are You Afflicted With Piles?

This disease, whether acute or chronic, is easily and rapidly overcome by using Meritol Pile Remedy. Gives positive and permanent relief when all others fail, and we heartily recommend it to any sufferer. Brown & Hagler.

The trustees of the Presbyterian church let the contract Tuesday for the art glass windows for the remodeled church building.

"Our Personal Guarantee to all Skin Sufferers" Lewis' Drug Store

We have been in business in this town for some time, and we are looking to build up trade by always advising our patrons right.

So when we tell you that we have found the eczema remedy and that we stand back of it with the manufacturer's iron clad guarantee, backed by ourselves, you can depend upon it that we give our advice not in order to sell a few bottles of medicine to skin sufferers, but because we know how it will help our business if we help our patrons.

We keep in stock and sell all the well known skin remedies. But we will say this: If you are suffering from any kind of skin trouble, eczema, psoriasis, rash or better, we want you to try a full size bottle of D. D. D. Prescription. And, if it does not do the work, this

bottle will cost you nothing. You alone to judge.

Again and again we have seen how a few drops of this simple wash applied to the skin, takes away the itch, instantly. And the cures all seem to be permanent.

D. D. D. Prescription made by the D. D. D. Laboratories of Chicago, is composed of thymol, glycerine, oil of wintergreen and other healing, soothing, cooling ingredients. And if you are just crazy with itch, you will feel soothed and cooled, the itch absolutely washed away the moment you applied this D. D. D.

We have made fast friends of more than one family by recommending this remedy to a skin sufferer here and there and we want you to try it now on our positive no-pay guarantee.
